To: Residents of Upper Court whose houses are adjacent to the basketball hoop and boules pitch at Norton Hill Recreation Ground

Lighting at the tarmacked area around the basket ball hoop and boules pitch

Dear Residents,

We wrote in December 2015 asking for comments on the proposed lighting, triggered by movement, to be located next to the existing CCTV camera on the edge of the tennis court overlooking the boules pitch, table tennis table and basket ball area. This proposal follows a spate of vandalism to the benches last year at this tarmacked area.

We did not receive any response back at all from residents to this consultation. The Environment and Development Committee has therefore decided that, unless we hear from residents within 10 days of this letter, the lighting will go ahead.

- I support lighting of this type at the site
- I do not support lighting of this type at the site
- Other – please comment in the box overleaf.

Any other comments – we do appreciate your views and if you have any other comments or suggestions please outline them below.

You can email your responses to us if you prefer – just send your views of council@westfieldparishcouncil.or.uk or complete this form and return it to the Parish Council office at the address above. Please return the response by **Monday 25th January 2016**.

Thank you very much for your time and trouble, we really appreciate it.

Yours sincerely

Lesley Welch
Parish Clerk
