Hard standing area next to the tennis court at Norton Hill Recreation Ground

Earlier in the year we consulted you about the proposed pedestrian access way from Upper Court to Norton Hill Recreation Ground. Thank you for the very positive feedback on this work. Now that the access has been installed, we would like your views on how the hard standing area next to the access way should be used. We are concerned that by leaving it in the state it is, it might attract fly tipping etc.

Overleaf are some suggestions and a space for more suggestions of your own. Your views are very gratefully received and will form the basis on which a decision about this piece of ground is made.

If you would kindly fill in the slip overleaf and put it through the letter box of Oval Homes on Cobblers Way, where the Parish Council Office is located, we would be most grateful. We have a deadline for responses of **31st January 2013**.

Yours sincerely
