## **Consultation on suggested lighting at the tarmacked area around the basket ball hoop and boules pitch**

Dear Residents,

Following a spate of vandalism to the benches at the tarmacked area around the basketball hoop, table tennis table and boules pitch, the Parish Council is looking at adding lighting to improve security and the efficiency of the CCTV camera.

The light would be located next to the existing CCTV camera which is on the corner post of the tennis court. The suggested lighting is the type which comes on and off triggered by movement. What are your thoughts on this?

- I support lighting of this type at the site
- I do not support lighting of this type at the site
