Proposed Pedestrian Access from Upper View to Norton Hill Recreation Ground

At the Annual Parish Meeting this year there was a request that a pedestrian access be made from Upper Court to Norton Hill Recreation Ground, so that residents of Upper Court would not have to travel around the main road to reach the Recreation Ground.

The map overleaf shows, with a line marked in red, the place where an access route might be made. The access would be designed for pedestrians only and would not allow access to motorcycles.

The reason for writing is to ask your view on this proposal. If you would kindly fill in the slip overleaf and put it through the letter box of Oval Homes on Cobblers Way, where the Parish Council Office is located, we would be most grateful. Given the summer holidays we have a deadline for responses of **31st August 2012**.

If there is support for the proposal, we shall talk to Bath and North East Somerset Council about this becoming a safe route to school and look at funding sources to take the project forward.

Yours sincerely

Cllr Geoff Fuller
