## PRESS RELEASE

### Help shape Westfield's future

The Westfield Neighbourhood Plan Working Group is putting out a plea to all who live and work in Westfield to help shape the future of our parish.

#### **Why should I respond?**

The Neighbourhood Plan allows the local community to create a vision and planning policies for the use and development of land in Westfield. As an example our earlier consultations showed a demand for a Westfield Community Centre, which we are now exploring further.

**So our Neighbourhood Plan is crucial** to enact your views on planning and development requirements. It will guide planning officers and councillors, and will become a requirement for consideration in their decision making. For example, where new homes, schools, shops and businesses can be built and what they should look like.

#### **How should I respond?**

Please contact Westfield Parish Council on 01761 410669 or e mail us at [council@westfieldparishcouncil.co.uk](mailto:council@westfieldparishcouncil.co.uk) and offer to complete the consultation document, or even just the parts which interest you the most. We shall get the document to you and arrange to pick it up when you are ready. You can also look at it on line at [www.westfieldparishcouncil.co.uk](http://www.westfieldparishcouncil.co.uk) and email it back to us.

This really is **your** plan, so please do let us know your views so that the Working Group can ensure we get it right!
