Consultation on priorities for improvements to Westhill Recreation Ground

The Parish Council would like to upgrade some of the facilities at Westhill Recreation Ground, to keep them current and interesting. We would like to ask your views on what you see as the priorities at the site.

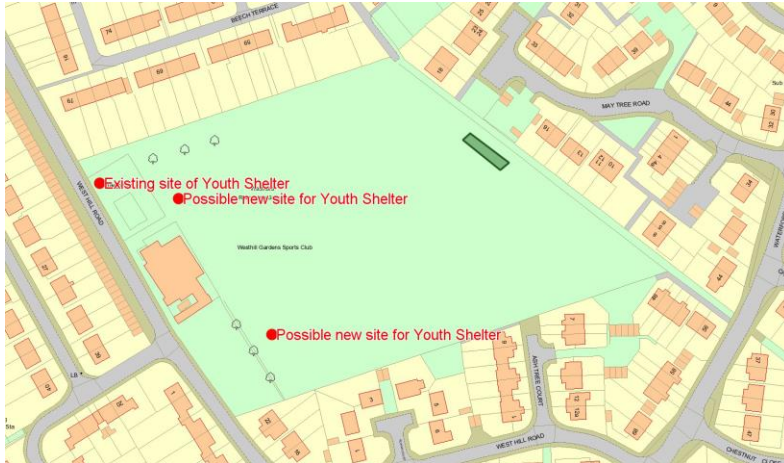

Below are some suggested priorities, but we would appreciate other suggestions.

Please number the suggestions below, 1 being highest priority, 2 being second highest priority etc

- Replacing the current aggregate surface of the BMX Track with tarmac.
- Moving the Youth Shelter out of the play area to one of the suggested locations shown on the plan overleaf.
- Adding to the play equipment on site to cater for a wider age range.
- Your comments, please use the box below – what is missing from the site? Any suggestions for additions or improvements to the facilities?

If the Youth Shelter were moved out of the play area to another location on site, where would be preferable?

Please tick the option below you would prefer.

- I would like the Youth Shelter to remain where it is.
- I would like the Youth Shelter to be moved to the other side of the play area fence.
- I would like the Youth Shelter to be moved to the recreation ground adjacent to the car park.
- I would like the Youth Shelter to be moved to another location which I have marked on the map above.

Please complete this sheet and return it to the Parish Council office at the address above, or e mail your views to us at council@westfieldparishcouncil.co.uk by 7th April 2015.
