

FREE ACTIVITIES THIS EASTER!

FOR SECONDARY SCHOOL AGED YOUNG PEOPLE ON FREE SCHOOL MEALS

Don't be sat at home bored this Easter break!

Youth Connect South has teamed up with Activate and other local organisations this Easter break to provide a brilliant programme full of free activities. This programme is funded by the government's Holiday Activities and Food scheme. Our Easter break activities are for secondary school-aged young people who are in receipt of free school meals. We do require you to submit your Wonde/Evoucher code on booking to guarantee your space. Your Wonde/Evoucher code can be obtained from your school.

We have two hubs this Easter, one at Weston Rovers FC in Midsomer Norton and the other at Southside Youth Club in Bath. As well as the hub activities we will be doing 2 free trips so be sure to check out the full list of our activities!

We also have some places for families on low incomes and other family groups who may benefit from attending.

We are putting on a wide variety of activities for young people over the Easter break to keep you active so be sure to check out the full list of sessions.

TOP REASONS TO ATTEND

- Activate Your Holidays offers the opportunity for children, young people, and families to be more active, to enjoy healthy meals and to socialise.
- Activate Your Holidays can help to offer a childcare financial reprieve for families on low income throughout the summer holidays.
- Attendees will work with our expert hub leaders to build confidence and life skills, providing a pathway to a brighter future.
- Time spent at Activate Your Holidays will help to improve physical and mental health, giving children a better chance when returning to school.

HOW TO BOOK

Schools will receive the voucher codes to send out on Monday 28th March, the code will be a direct link to the booking system. If you do not receive your voucher and are eligible for free school meals then please get in touch with them directly to get the codes. If you have any issues with booking please get in touch with us.
