

# WESTFIELD FRONT GARDEN COMPETITION 2022

2022 is a very special year in the United Kingdom, when we are celebrating the Platinum Jubilee of Her Majesty Queen Elizabeth II

The Parish Council is adding a category to this year's competition which will offer a prize to the gardener that best commemorates this, so if you have or see a front garden in Westfield that you feel is worthy of a prize, kindly donated by Thomsons Hardware of Radstock, then please enter or nominate it.

Nomination forms can be found on our website, or you can just email us.

**Last year's winners:**
