## Save money on your energy bills

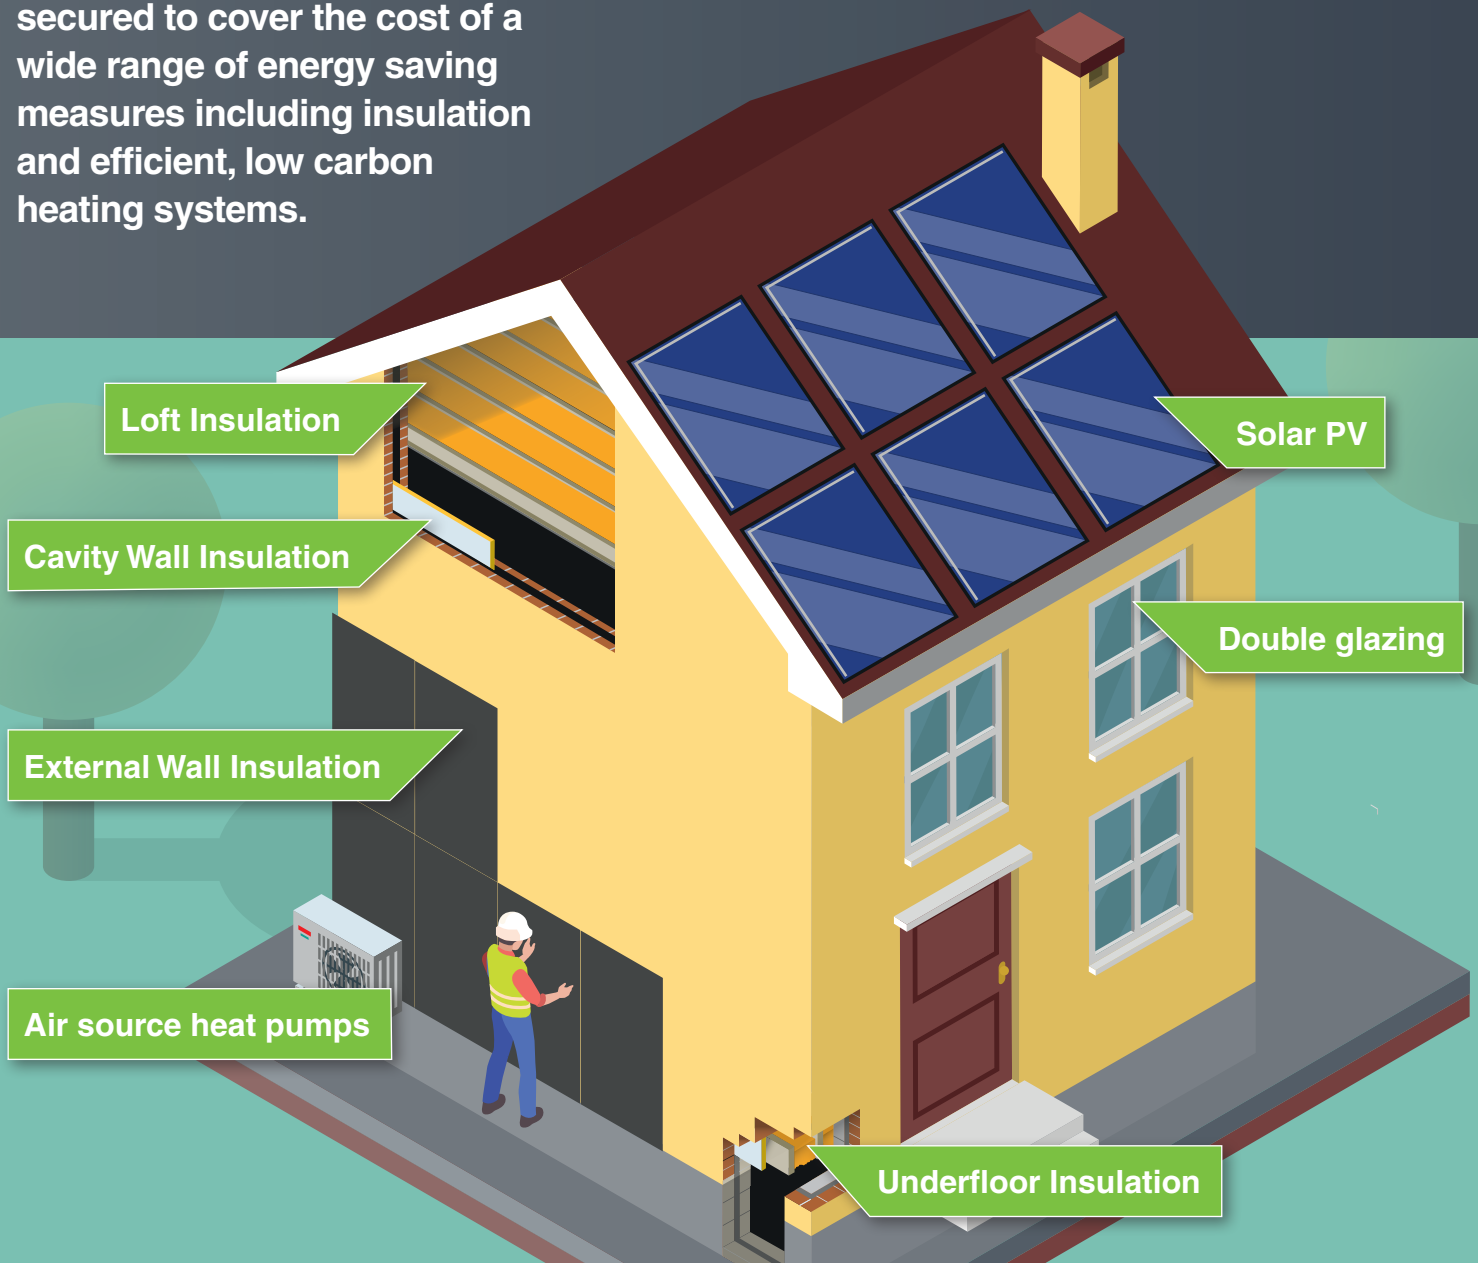

[energyservicebristol.co.uk/funding](http://energyservicebristol.co.uk/funding)

The Bright Green Homes project is here to help homeowners and private renters to lower the cost of their energy bills and reduce their CO2 emissions. Government funding has been secured to cover the cost of a wide range of energy saving measures including insulation and efficient, low carbon heating systems.

To qualify for funding, you must meet all the following criteria:

- ✓ Combined annual household income on or below £30,000
- ✓ An energy performance certificate rating of D, E, F or G
- ✓ The property must not use mains gas central heating
- ✓ You must live in Bristol, North Somerset or Bath and North East Somerset.

For more information, please contact the domestic energy team on
